Petitions for Release on Habeas Corpus Writs Made to Judge Partridge

(By Universal Service)

SAN FRANCISCO, May 26. Efforts of Harry Rice and Peter McDonough to gain release from the Alameda county jail at an early date were focused yesterday upon Federal Judge John S. Partridge's court. Rice's petition for a writ of habeas corpus was taken under advisement with the promise of an early decision.

Rice according to his commitment has served one sentence of six months and has another sentence of six months. The contention of his attorneys, Marshall Woodworth and Frank J. Hennessy, is that the court failed to designate which of his sentences should be served first and that therefore the second sentence is void.

DECISION QUOTED

A decision of the United States Circuit Court of Appeals in the Pucelli case held that the court must state the sentence in which two sentences were to be served or else it would be considered that they had run concurrently. In the case of the United States versus Patterson the Supreme Court held that where there were three sentences of five years to run consecutively the sentence must be stated.

Assistant U. S. Attorney Thomas J. Sheridan, representing the Government, argued that the decision applied only in the case of three separate indictments and that in Rice's case the sentences were on two counts of the same indictment, the inference being that the sentence on the first count would run first.

EFFECT OF SUCCESS

If Rice should be successful in his petition his sentences would have been completed on May 21. McDonough would be released on August 7, instead of six months later, his sentence being for nine and six months. McDonough would have the same plea as Rice.

A decision favorable to Rice would also establish a ruling which might release many bootleggers and numerous Federal prisoners in the penitentiaries.

LIONS CLUB HEARS TALK ON NEW HOTEL

The meeting of the Richmond Lions Club yesterday was taken up with a discussion of the new community hotel project. The advantages of a first class hotel to a city were told to the members by L. D. Barr, of the Hockenbury System, which is conducting the finance campaign for the hotel. The chairman of the day was James Walker.

Lud Johnson, Archie Winchcole, and the Lions Quartet, composed of Bert Carter, H. H. Mylander, P. J. Shaw, and C. F. Donnelly, furnished musical numbers for the day.

Over half the members of the club have already contributed their quota of \$25 or more for the Boy Scout fund of the county, accord-

PUBLICITY AND TAX REDUCTION

(By Universal Service)
WASHINGTON, May 26. The publicity clause will be the chief bone of contention when Congress opens up the revenue act next winter with a view of making a tax reduction of approximately \$100,000,000, it is developed today.

Following the decision of the Supreme Court holding that under the publicity clause newspapers can legally publish income tax returns, a spirited fight is developing between two factions in Congress, one favoring repeal of the clause, the other for widening its scope.

Senator Snodgrass of Utah, chairman of the Finance Committee, will lead the administration forces in favor of repeal. He will be supported by Secretary of the Treasury Mellon, who opposed the clause when it was being discussed by the last Congress. President Coolidge is expected to advocate repeal in his annual message.

Advocates of repeal take the position that the provision serves no constructive purpose and only tends to satisfy idle curiosity. Furthermore they believe it has the tendency to cause taxpayers to make misleading returns.

STATE BOARD DENIES WATER COMPANY PLEA

Petition of East Bay Water Company to Bring Waiver From Sacramento River Denied

DISTRICT ASSUMES BURDEN

Railroad Commission Holds Municipal Utility District Can Take Care of Supply

OAKLAND, May 26. Efforts of the East Bay Water company to obtain from the Sacramento river supply of water, in the face of opposition of the East Bay Municipal Utility District, were frustrated today by the State Railroad Commission in denying the corporation's application to issue nine and a half million dollars worth of securities to cover the estimated cost.

The commission, in a decision signed by every one of the five members, is a unit in declaring that the Utility District should be allowed to bring in any additional water supply needed adequately to take care of the growing demands of the progressive cities and town included in its boundaries.

"We are confronted by evidence showing another agency, the East Bay Municipal District has been created and directed by the majority of voters of such district to bring in an additional water supply and unequivocally asserts not only its willingness and desire but also its ability to bring a temporary supply of water pending the completion of its Mokelumne project, it and when it shall appear that such temporary supply is necessary," says the opinion.

MEET ADDED NEEDS

"It seems clear, therefore, that the responsibility for bringing in a temporary supply of water pending the completion of the Mokelumne river project should rest upon the district, that the evidence proves the willingness of the district to assume such responsibility as well as the desire of the people residing in the district" (Continued on Page 8)

GUNMEN HOLD UP BRANCH BANK AT EMERYVILLE

Three men entered the Emeryville branch of the Mercantile Trust Co. shortly after noon yesterday with drawn revolvers attempted to hold up the banking force in the institution at the time.

There were several patrons in the lobby at the time when the hold-up started. Their flight apparently threw the would-be robbers also into panic, for, before they had accomplished their purpose, they turned and fled.

Notification was immediately made to the Oakland and Emeryville police stations. No trace of the robbers was apparent when the police officers arrived.

In the confusion the direction of their flight was not noted. Descriptions of the men were furnished the police and a city wide effort to apprehend them is being made. Nothing was obtained by the robbers.

The bank is located at San Pablo avenue and Adeline street.

WOMEN'S CLUB ANNUAL BANQUET

The first annual banquet of the Richmond Business and Professional Women's club was held at the First Christian church last night, with a splendid program being rendered during the course of the dinner. The attendance of members of the Richmond club was one hundred per cent, while there were thirty visitors from San Francisco and three from Oakland.

Preceding the dinner, a number of cars met the San Francisco women at the 5:50 o'clock Richmond-San Francisco ferry and the "See and Know Richmond" section of the club took them for a ride about the city. Such show points as the Standard Oil company, the Santa Fe, the New War Veterans Memorial hall, and the beautiful homes in Mira Vista were visited. The following members of the club furnished cars for the ride: Clara Hansen, Ruby Bryant, Helen Johnson, Elizabeth Redmond, Laura Record and Belle Buggman. Additional elated cars were provided through the courtesy of M. A. Hays, J. P. Strom and Harry Curry.

During the dinner election of officers to guide the destinies of the Richmond Business and Professional Women's club for the ensuing year was held, and the following were unanimously re-elected: Dr. Rosa Powell, president; Miss Nora Ashfield, first vice-president; Mrs. E. Redmond, second vice-president; Mrs. Helen Kingsbury, recording secretary; Mrs. T. Campbell, corresponding secretary; Miss Viola Trainer, treasurer; and Miss Lola Young, auditor.

The delightful program consisted of: 1. Opening number, "America," 2. Solos, "To a Hill Top" and "Rosalie" by Mrs. Irma Randolph of Oakland, accompanied at the piano by Miss Florence Clark of Richmond, 3. Words of greeting from Dr. Rosa Powell.

4. Response by Dr. Susan Hamilton of San Francisco, 5. Report for the four months since the local club has been organized by Dr. Powell.

6. Monologue, "A Little Peach" and a special Chinese number as an encore by Gladys Banner of Richmond.

7. Talk on club house financing by Miss Wilkins of Oakland, 8. Song, "Calm is the Night" and "Golandra" by Mrs. Rose Lyon.

9. Report of the nominating committee, Mrs. Marie Jensen, chairman; election of officers and the installation by Miss Clementz, president of the California Federation of Business and Professional Women's Clubs.

10. Closing number, "Hail, Richmond" (Continued on Page 5)

THREE JURORS IN EIGHT DAYS IN SHEPHERD CASE

Probe of Tampering Charges Goes On As Prospective Jurors Are Being Questioned

WITNESS STILL IS MISSING

Robert White, Alleged To Have Asked \$5,000 to Change His Testimony, Sought

(By Universal Service)

CHICAGO, May 26. The Shepherd trial progressed backwards today.

The panel of four jurors, which had been sworn in last week, was broken when Judge Thomas J. Lynch dismissed Harold Pilar, one of the first jurors to be seated.

The dismissal came after a conference between the attorneys of the State and the defense in the chambers of Judge Lynch.

Although no statement was made, it was openly intimated that "Pilar" had talked too much and had informed Judge Lynch that he was "too kind-hearted to inflict the death penalty under any circumstances."

The State immediately tendered the name of Charles Freckinger as an alternate for Pilar, but the defense challenged him peremptorily after only a few questions.

As the trial was adjourned tonight the jury box held three men, instead of the original four sworn in, with three others tentatively under consideration the sum total of eight days of legal fencing.

WITNESS TAMPERING

Concurrently with the selection of the jury, the questioning of witnesses in regard to the charges of jury and witness tampering was continued by State's Attorney Crowe and the grand jury.

John J. Kelley, a chiropractor, was called as a witness to determine the truth of the charge that Robert White, missing State's witness, had asked \$5,000 of the defense for changing his testimony. "White" had testified before the Grand Jury that he had seen Shepherd in the bacteriological school of "Dr. Charles C. Faiman, confessed accomplice of William D. Shepherd in the alleged germ poisoning of "Billy" McMillin."

Detective Sergeant James F. Leavelle has been sent to Philadelphia in an effort to locate White, following the receipt of a letter signed by the missing witness' name.

RELATIONS OF FRANCO-GERMAN

(By Universal Service)

PARIS, May 26. The whole question of Franco-German relations will be again pushed to the front by the French Foreign office in note to Foreign Secretary Chamberlain of England giving France's last word on the German offer of a security pact.

According to information from high quarters, France's conditions for such a pact are:

1. Germany guarantees not only the Rhine but the eastern frontiers, also accepting the status quo of Poland and Czechoslovakia.

2. Germany satisfies the allies that the disarmament clauses of the treaty of Versailles are thoroughly accomplished.

3. Germany enters the League of Nations on the same footing as other nations, agreeing to enter the European protocol for the maintenance of peace in addition to the Franco-German pact now offered.

It is known that the first French condition is not entirely acceptable to England, whose cabinet is reported divided on the question of forcing Germany to guarantee the integrity of the present eastern frontiers.

Charles Riegert Funeral Thursday By Point Masons

Funeral services for Charles Riegert, west side pioneer, who died at the Franklin hospital in San Francisco yesterday, will be held Thursday morning at 11 o'clock at the Point Richmond Masonic hall, under the auspices of the Port Masonic lodge, of which the deceased was a member. The funeral cortege will leave Bert Curry's parlors at 10:30, and interment will be in the Sunset View cemetery.

Charles Riegert was well known on the west side where he conducted the Santa Fe meat market. He was a native of Stuttgart, Germany, and was 73 years of age. He had lived in Point Richmond for the past 20 years and for a number of years was employed by Otto Ludwig in the meat market business. He had been ill at ten days.

Riegert was a bachelor, who lives only relative is a sister, who lives in Germany. He had made his home at the Anderson hotel. He was a member of the Point lodge of Masons, the Point Druids, the Hermit Sons and the Order of the Eastern Star, all of Richmond.

FEAR GROWS THAT FLYERS ARE TRAPPED

Amundsen and His Companions Silent Five Days, Now Thought Trapped in Ice

ICY WASTES IN FOG SHROUD

Alarm For Safety of Explorers Caused by Reports of Snow And Fog in Region

(By Universal Service)

OSLO, May 26. Captain Roald Amundsen and his five companions on the Polar flight had been gone more than five days without word as dusk approached tonight.

There was no news of the explorers here late this afternoon. The Arctic regions are threatened with storms and if the flyers landed at the North Pole for observations the party will be compelled to return immediately, government officials declared today, adding the significant words, "if able."

Conflicting reports are reaching Oslo as to what the weather has been at the pole. It is generally conceded, however, that snow has been falling and that the great stretch of sea and frozen land has been shrouded in fog.

If there has been a recent fall of snow, it was pointed out that this would make it difficult for the Amundsen-Elsworth party to return either by air or afoot.

The newspaper "Aftenposten" said the American discussion for relief of the expedition was "misplaced, but well meant."

GROWTH HERE FASTER THAN SAN FRANCISCO

The records of the Pacific Gas and Electric Company's local gas department serve as a measuring stick to indicate the growth and expansion of the East Bay cities. For the four months ending April 30th, L. H. Newbert, division manager, announces that there has been a gain in the territory served by gas, extending from Richmond on the north to Hayward on the south of 1,748 new services.

Estimating this at the rate of four and one-half persons to the service, would indicate that 7,866 new people have come into the territory. The sales through the Oakland plant which supplies the entire territory was for that period 1,330,370,000 cubic feet or 11.6 per cent greater than for the same period during 1924. The maximum daily output of the plant was 23,510,000 cubic feet.

The company's growth in the city and county of San Francisco for the same period shows an increase of a little less than 2 per cent and indicates that the percentage of growth in the East Bay metropolitan area has been more than five times as great as that of San Francisco.

BREAKS ARM IN FALL

When he fell from the roof of a house at 826 Thirtieth street, Jack Wilson, 21, who was painting the house, sustained a fracture of the right arm. When his foot slipped from a cleat on the roof Wilson fell 15 feet to the ground. The Bert Curry ambulance rushed him to the Emergency hospital, where first aid was administered. Later he returned to his home at 227 Sixteenth street.

J. C. PENNEY CO. ERECTS LARGE N.Y. WAREHOUSE

An eighteen-story office and warehouse to serve the J. C. Penney company store in this city and in hundreds of other cities throughout the United States, is being erected in New York. It was announced here yesterday by M. E. Hazelton, manager of the Penney store in Richmond.

This building, towering high in the famous Pennsylvania Station zone will, with its appearance, face on both Thirty-third and Thirty-fourth streets, between Eighth and Ninth avenues. It is a far cry from the first small store started by J. C. Penney, with \$500 in Weymouth, Wyo., in 1902, to this modern office structure and the business it represents.

But Penney had an idea which was sound in idea which has developed into the largest chain of cash department stores in the world. This chain extends from the Atlantic to the Pacific, from the northernmost boundary of the United States to the Gulf of Mexico. To the 571 stores now in operation, there will be added, in the next few months, approximately 100 new stores. This will leave only five states in the Union uncharted territory for the J. C. Penney Company, Inc.

Under the company's plan, a manager is enabled not only to acquire an interest in the store with which he is directly connected, but he is given an opportunity to establish new stores. The majority of the J. C. Penney Company stores are in charge of local managers, who are also part owners of the stores which they conduct, and who are thoroughly trained in the policies of the company.

Every J. C. Penney Company store is a complete organization in itself, possessing, however, all the advantages of the chain store in respect to collective buying and centralized administration.

The new building is being financed by a closed issue of \$2,750,000. First Mortgage 5 1/2 per cent Serial Gold Bonds, dated May 1, 1925 and due serially May 1, 1926 to 1950. The entire issue is made by the J. C. Penney Building and Realty Corporation, the entire stock of which is held by the J. C. Penney Company, Inc.

Bonds are being marketed by the Manufacturers Trust company, Harris, Ayers and Co., and George H. Burr and Co., all of New York.

The issue is secured by a first mortgage on the land and building which will be leased to the J. C. Penney company at a net rental sufficient to pay maturing principal and interest on the bonds. This lease will be pledged under the mortgage.

Interest is payable May 1 and November 1, at the office of the Manufacturers Trust company, trustee. Bonds will be sold in denominations of \$1000 and \$500 in coupon form, and are priced at 100 and interest. Most of the maturities will yield 5.25 per cent.

Sales of J. C. Penney Company were \$74,261,343 in 1924; net profit \$5,369,739.

Why Does the Hamilton Hotel Chain Want to Operate Richmond's New Hotel?

The Hamilton Hotel Chain are not philanthropists, neither are they experimenters. They select the cities in which they operate hotels, as carefully as the capitalist selects his investments. The Hamilton Chain has not made its proposal to operate Richmond's New Hotel out of love alone. They made the proposal because their study and knowledge of Richmond as a potential hotel city has impressed them with its possibilities for profit.

And while the Hamilton Hotel Chain is making a profit by operating our hotel, they are, at the same time, making a greater profit for the preferred and common stockholders. Their lease provides that they will receive no profit for their services until after the seven per cent dividend on the preferred stock, and all insurance, taxes, depreciation, etc. have been met.

After all expenses of operation and the seven per cent on the preferred stock have been deducted, fifty per cent of the surplus will be available for distribution to the holders of the common stock; the other fifty per cent going to the lessee as his first and only profit.

If Richmond did not so desperately need the new hotel and the possibilities of profit did not exist, is it logical to believe that this experienced hotel chain would be willing to waste its time and its talents in an unproductive hotel? Their study and experience has led them to firmly believe that Richmond's New Hotel WILL be a profit producer.

The investment in Richmond's hotel will be represented by a distinctive, first-class, modern, fire-proof building, well located in our fast-growing city, rendering a service for which there is known to be a demand.

Preferred stock, fully paid, will be sold at par, \$100 per share in units of two shares. Common Stock, of no par value, may be purchased by the holders of the preferred stock for a consideration of \$10.00 per share on the basis of one share of common stock for each share of preferred stock subscribed and paid for. There is no promotion stock, every one investing on the same terms.

RAGS WANTED—Record-Herald

Novelty Dance Saturday at Memorial Hall

The Allied Veteran organizations are very happy over the success of their new building and the dances that are being conducted there on Wednesday and Saturday evenings to help maintain the structure. Last Saturday was the greatest crowd yet and there were more than 300 lovers of the dancing entertainment that boasted of a wonderful good time. The music is being furnished by Weisberger's "Versatile Six" and while the musicians are all local boys, they are one of the best synopocating aggregations this side of the bay.

Henry D. Lane, who is the manager of the dances for the veterans has been so elated over the cooperation of the public in making the affair such a grand success, that he has made elaborate arrangements for a monster Novelty Dance on Saturday evening in appreciation to the patrons. Without a doubt the celebration will be the biggest stunt ever attempted in Richmond.

The decorations will be in keeping with the day, which is a National holiday, and besides this there has been secured, four gross of carnival hats, four gross of novelties and ten thousand rolls of serpentine without saying anything about the surprise that Mr. Lane has up his sleeve. Families and public are cordially invited to attend.

mond, Hark, with Blanche Carp at the piano. Dr. Powell stated that the most remarkable and interesting announcement of the evening was that with a membership of only 25 women in the club, there were 15 members in the Richmond Chamber of Commerce. Besides Dr. Hamilton, president of the San Francisco club, and Mrs. Clementz, also of San Francisco, Mrs. Camilla Morgan, publicity chairman, was in attendance.

The Richmond Club Pig was a special guest at the dinner and it is reported that it was well fed. Dr. Hamilton was presented with a most gorgeous sheaf of gladiolus by the members of the club. Edna Lohr, local milliner, and member of the club, was in charge of the decorations, which were tastefully carried out in the club colors—black and gold. All the place cards were hand made by her. They were gold trimmed and on each one was a little lady wearing a beautiful black and gold hat.

The tables were decorated in black and gold streamers, as were the rooms. Candlesticks, bon bon dishes and hat-shaped flower vases were also used to carry out the color scheme. The ladies of the Christian church, under the chairmanship of Mrs. Black and Mrs. Thomas, served the sumptuous banquet, all the San Francisco and Oakland women, as well as the local members, showered compliments on these ladies for the dinner that was so delicious.

Men's Club of El Cerrito Is Organized

At a dinner held at the El Cerrito M. E. church last Friday, the Men's club of El Cerrito was formally organized and officers elected. Those elected were Rev. F. J. Bradley, president; E. H. Henson, vice-president; French McDonald, secretary and Kirk E. Gray, treasurer. The program for the evening which was in charge of J. W. Schoute, F. H. Wright and Wm. M. Simonson, was as follows:

Piano solo, Mrs. Mansfield; recitation, Mrs. Craig; short address by Prof. Theo. Madison and R. X. Tucker and original poem by Rev. F. J. Bradley read by Miss Gertrude Michell.

The dinner was served by the ladies of the church and was greatly appreciated. The following ladies prepared and served the dinner: Mesdames Kirk Gray, R. McMichael, R. Hemphill, and Misses Grace Gray, Jean MacKinnon, Yvonne Simonson, and Elizabeth McDonald.

The next meeting of the club will be held in the church parlors on the 19th day of June.

TERRACE WELFARE CLUB HOLDS MEET

The regular social meeting of the Terrace Welfare club of El Cerrito was held Wednesday evening, May 20th at the home of R. M. Steele president of the club. The evening was taken up with dancing after which light refreshments were served. The next meeting of the club will be the business meeting on June 3.

ZEPHYR REBEKAHS INITIATE CLASS

The drill team of the Zephyr Rebekahs, under the direction of Captain Grace Carey, performed the ceremonies of the initiation of a class of candidates into the lodge at a session held in Richmond hall last night. Mrs. Joella Bonham, noble grand, presided over the meeting. The second nomination of officers was held and it was announced that at the next meeting the new officers would be elected.

Mrs. Elizabeth Smith and Mrs. Rena Nixon, who were delegates to the Rebekah Assembly in San Francisco during the early part of May, gave a complete and interesting report at the meeting last night.

Mrs. Ella Locke was appointed chairman of the entertainment committee during the month of June. After the meeting a fine supper was served in the banquet hall by the entertainment committee, of which Mrs. Birdie Hutton is chairman.

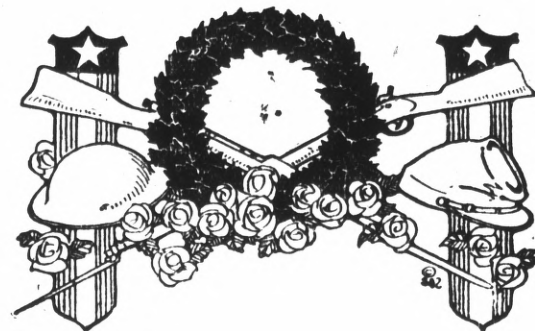

PRINGLE FUNERAL HELD

Thomas Pringle, retired plastering contractor of Berkeley, was interred in St. Mary's cemetery yesterday after services conducted at St. Ambrose Catholic church in Berkeley. Deceased passed away Sunday morning at the home of his daughter, Mrs. Teresa Harkins, in Richmond Annex. Arrangements were in charge of Bert Curry.

Tahoe Council Drill Team Has Practice Work

A dance is to be given in the near future by Tahoe Council, No. 186, Degree of Pocahontas, according to plans laid at a meeting held in Moose hall last night. The matter was merely brought up for discussion, and no committees were appointed on the affair or any definite plans as to date or place made. The meeting was presided over by Pocahontas Josephine Felciano.

After the meeting the drill team spent some time at practice in anticipation for future initiations. The progress shown by this drill team is truly remarkable, as the lodge has only been in existence for a few weeks, and the team will be capable of holding its own with any other team in this vicinity within a few weeks. Refreshments were enjoyed by all the members after the meeting. It was announced that about 50 members of the lodge would journey to Crockett to visit Neola Council, No. 172, Degree of Pocahontas, on next Friday night. The visitors will attend the meeting of the organization and afterward set down to a banquet which promise to be exceptionally tasty. A new member was taken into the lodge last night.

TAILORS BEAT M'ACKENS BY 5 TO 2 SCORE

RICHMOND TWILIGHT LEAGUE.

W. S. McRackens 1 4 2-0
Santa Fe 1 4 2-0

Once more the Schneider Tailors baseball aggregation forced into the lead of the Richmond Twilight League by walloping the W. S. McRackens nine all over the lot last night at First street by a score of 5 to 2.

The Tailors started affairs early in the game, in fact in the first inning. They bunched three hits, were given a walk, and with a few singles, errors, etc., made four runs. Their other tally was made in the third.

Although the game was a veritable slugfest, no very long hits were made. There were only a pair of doubles and both of these were made by Daley, snappy short stop for the Tailors.

Murphy of McRackens and Kaub of Schneiders both pitched a good brand of ball, although it was rather loose at times. Each allowed seven hits. Murphy walked one man.

Final Games in Volleyball Tie To Be Played Off

After a meeting of the executive board of the Y. M. C. A. last night at the Y building it was decided that the Y. M. C. A. volleyball team and the First Christian team will play off the game that was recently cancelled on next Friday night.

The Y. M. C. A. and the Christians are tied for second place in the league with the Wanderers only one half a game ahead. The winner of Friday night's contest will be tied with the Wanderers and a game will probably be played next Tuesday to decide who is the rightful possessor of first place in the league.

Both combatants are working hard in preparation for the approaching conflict, as to lose this game will mean that they will forever after be forced to hold their piece. The Wanderers, too, are setting in some stiff practice for next Tuesday, as they feel that they have the situation fairly well in hand they do not want to be knocked out of first place.

TUBERCULOSIS OVERCOME

Oakland, Calif.

April 28, 1925.

For about three years I suffered from a bad cough and sore chest. I tried many doctors, all of whom pronounced my case Tuberculosis. My appetite was examined and showed tubercular germs. As I found no improvement from any of the treatments that I took, I decided to give the FONG WAN HERB a test, as a last resort.

After having drunk the herbs for four months, I was a well woman and had gained in weight. A year has elapsed since I began to take the FONG WAN HERB on April 16, 1924, but today, I am still well and have no sign of my former complaints.

ANNIVERSARY TODAY OF CLUB MENDELSSOHN

The Club Mendelssohn will celebrate its twenty-first anniversary today at Memorial Hall. Five hundred invitations have been sent out and those attending will be entertained with a fine program.

Some of the best known musical and literary artists about the bay have been procured by the club.

Antonio de Grassi, nationally known violinist, will play a number of selections, one to be his own composition. Madame Dorothy Raegen Talbot, protegee of Calve and one of the most popular radio entertainers will render two groups of vocal solos. Among her numbers will be the "Bird Song" by Leon Cavallo. Madame Talbot has a voice of unusual range and clearness.

Willem Dahe, noted cellist, is to play a group of cello selections. A number of piano selections will be given by Stella Drummond Swift, who will be accompanied for the other artists. The club has also procured Rosalie Harrison, reader and poet, who will entertain with several readings.

Mrs. Ernest T. Parker is general manager of the guest day. Following are the committees:

Reception—Mesdames Raymond H. Clarke, E. George Harlow, G. W. Topping, P. C. Campbell, Lee Dickey, Clinton Smith, Paul Dunlap, J. O. Ford, R. W. Huston, R. C. Lee and J. S. Moyle.

Hall—Mrs. J. O. Ford and Mrs. J. C. Eaton.

Program—Mesdames Myrtle Smith,

Red Poppies of Flanders Field For Memorial Day

For the purpose of raising funds for child welfare work, the American Legion and American Legion Auxiliary are now selling neat little Flanders poppies in Richmond. This work has the sanction of the Federated Womens clubs of the United States, as it is undoubtedly a work of benevolence.

The flowers were made by wounded war veterans who are confined in various hospitals throughout California. Those on sale in Richmond were made by veterans in the hospital at Palo Alto.

The Legion auxiliary approved the work at the meeting held in Memorial hall last night, and immediately started the sale of the flowers. They will be on sale all week.

The flowers are of a deep red and of neat attractive appearance, and it is hoped that every resident of Richmond will be seen on the streets of Richmond on and before Memorial Day, wearing one of these flowers, which are sold for the nominal sum of ten cents.

Lakeport—Yolo Water Company plans million-dollar extension of irrigation.

Lee Dickey, E. George Harlow and Raymond H. Clarke.

DADDY LONG LEGS TONIGHT AT CHAUTAUQUA

CHAUTAUQUA PROGRAM TODAY

AFTERNOON—Special Children's Feature, Margaret Byers and Assistant Artists, Kiddles! Bring your mothers and fathers with you for a merry time with dainty little Miss Byers. You'll love her.

Juniors Chautauqua.

EVENING—"Daddy Long Legs", Elias Day Players.

Mothers and Dads, it's your turn to take the "Kiddles" to your program. Everyone will love Judy and this story of humor, pathos and heart appeal. Another "Don't miss it!" program.

DADDY LONG LEGS

Daddy Long Legs—dramatized by the author, Jean Webster, from her famous book which created a genuine sensation when it first appeared and has consistently grown in popularity ever since, will be the premier attraction for the sixth night of Chautauqua week. The story, which begins in a drear New England orphanage, where little Judy, the adorable heroine, is an ill-treated little slavey of brilliant mind and starved soul, is carried on through a girls' college, a beautiful old-fashioned country place where the fortunate Judy spends her vacations after being adopted by the unknown and unseen "Daddy Long Legs" and finally right up to an end that is oh, so happy. But it would be "telling" to give the whole story to those who do not yet know it.

In the hands of the vivacious Donna

Scattered liberally throughout the annual are good, clear cuts of the school organizations with brief comments and histories.

These include the student body, girl reserves, honor society, debating club, dramatic club, hospital girls, library girls, commissioners, engineers, military, Block R society, band, orchestra, boys' Hi-Y girls' Hi-Y, and last but not least, the sporting teams. Included in the sports are cuts and stories of the achievements of the football team, baseball, track, boys' basketball and girls' basketball. A number of individual cuts, some of seniors in their early childhood, help to round up a most attractive annual.

Credit for the successful makeup of the book goes to the annual staff, as follows: Gladys Pinney, editor; Irving McKee, assistant editor; Ben Dodge, business manager; Stuart Clark, advertising manager; Edward Lehmkuhl, circulation manager; Marion Cliffe, literary editor; Mary Finley, art editor; Lyvita Fitzgerald, senior editor; Margaret Broberg, Muriel Stott, Ruth Weston, Mary Gilmore, Evelyn Silliman, organization editors; Dorothy Hayes, social editor; Thomas Aspland, boys' athletic editor; Flora Barbieri, girls' athletic editor; Charles Deatsch, military editor; Virgil O'Brien, joke editor.

Mount Elton—Forty thousand dollar school building completed.

Berkeley—Arlington avenue to be paved from North city line to circle; estimated cost, \$21,000.

Voorhees, experienced artist, who will take the role of Judy, the whimsical character will be done full justice. It will be the Judy Miss Webster had in mind when she wrote her book and dramatization, the latter being first produced under direction of Henry Miller at the Gaiety Theater, New York, with Ruth Chatterton in the part. Miss Voorhees has the same quick wit and spontaneous humor of Miss Webster's Judy Abbott, and is particularly fitted to the part. Lawrence Johns, who plays "Daddy", former director of the Civic Theatre Company of Okron, Ohio, and state manager of the Chronicle and Allen Theater in Cleveland, created a sensation with his work in Canada last season, and is considered ideal for this important role. Harriet Bells who plays Miss Pritchard, a very important part, has a fine record in "Six Cylinder Love," "Happiness," "The Fool" and other successes, is a college graduate and an experienced artist, capable in every way.

"Daddy Long Legs" goes straight to every heart. It is funny and it is pathetic. And always it has a lasting effect on an audience and on a community.

HIGH SCHOOL ANNUAL ISSUED BY STUDENTS

The Blue and Red, the Richmond High school annual, is now being distributed among the students of the school. Rhymes, jokes, and serious pieces of literature depicting the classes of the school for the past year make up the annual, which is complete in every detail, and bestows the care and work of the staff.

The annual is dedicated to Miss Dorothy Cox, the senior adviser, in the following fitting terms: "To one who has made our class a success; to one whom we know as a friend; to one whom we all love, Miss Dorothy Cox, we, the class of Twenty-five, dedicate this book."

Jovita Fitzgerald contributed the history of the graduating class in rhythm form. Norma Silva, Mary Louise Finley, and William Brown, also contributed the verses of the annual. Various students of the school contributed the joke section, which holds its place at the end of the book.

Scattered liberally throughout the annual are good, clear cuts of the school organizations with brief comments and histories.

These include the student body, girl reserves, honor society, debating club, dramatic club, hospital girls, library girls, commissioners, engineers, military, Block R society, band, orchestra, boys' Hi-Y girls' Hi-Y, and last but not least, the sporting teams. To hold the district responsible for providing such supply.

"To authorize the issue of the bonds and stocks or notes under the circumstances disclosed by the record in this proceeding would we feel result in a duplication of facilities and of wasteful expenditure of money, both of which are contrary to public policy and neither of which are in the public interest. We believe that this application should be denied without prejudice."

Further discussing the situation regarding the adequate supplying of the rapidly-growing cities affected with water, the commission says, "Representatives of the district admit and agreed with the last Bay Water company's representatives that an additional water supply should be made available to the East Bay communities as soon as possible."

FIRST UNIT OF PROJECT.

"Both A. P. Davis, its chief engineer and general manager and George C. Pardee, its president, through their testimony call attention to the fact that the people of the district, the boundaries of which are substantially co-terminous with the territory served by the East Bay Water company have by a large majority voted in favor of getting an additional water supply from the Mokelumne river and have voted bonds for the purpose. Both testified that if for any reason a water shortage should develop the district would be able to take care of the situation by constructing the western division of its Mokelumne project and bring water into the district from the San Joaquin river."
